1. There are usually six or seven ships in the Port Arthur harbor, but the number varies greatly from day to day. [REDACTED] Navy "exercises" are practiced daily. Observation is made difficult by the smoke from the artillery and anti-aircraft batteries. Heavy guards are posted at the land approaches to the harbor. [REDACTED] 25X1X6

[REDACTED] 25X1X6

2. The Navy at Port Arthur has one large and several small war vessels. The Navy personnel there totals 5,000. [REDACTED] 25X1X6
